# \$100 Keystone Scholars deposit + \$50 Bright Future Booster

Remember, you must be a WIC participant before your child is born to be eligible for the Bright Future Booster deposit. Learn more at [pa529.com/keystone](http://pa529.com/keystone) or talk to your WIC provider.

Keystone Scholars is open to Pennsylvania residents born after December 31, 2018 and children born after December 31, 2018 who are subsequently adopted by a Pennsylvania resident. The child must be a Pennsylvania resident at birth or adoption and at the time the Keystone Scholars funds are used. The child must also be the Beneficiary of a PA 529 account other than the Keystone Scholars Account at the time Keystone Scholars funds are used. If not used by the beneficiary's 29th birthday, the funds will be returned to the Pennsylvania Treasury Department (Treasury). Funds in a Keystone Scholars Account will be invested in a PA 529 GSP account and will remain under the sole custody of Treasury until they are used for the purposes of paying for qualified higher education expenses at an institution of higher education. A list of qualified higher education expenses may be found at [www.pa529.com](http://www.pa529.com). No additional funds may be contributed to a Keystone Scholars Account. However, families are encouraged to save in their own PA 529 account.

PA WIC is funded by the USDA. This institution is an equal opportunity provider.

Scan this code to read more on our site.

1

PA Treasury automatically creates a Keystone Scholars account for your baby and invests \$100 for their future education. And now, if you're currently a WIC participant and give birth between January 1 and June 30, 2021, your child will get an additional one-time \$50 deposit as part of the new Bright Future Booster program.

2

To be eligible, just enroll in WIC while you're pregnant and make sure to report that you are a WIC participant on your child's birth registration. There's zero cost to you.
