## ENDNOTES

- <sup>1</sup> The credit rate for a particular school or average Tuition Level is subject to change in the event that the school, or a school included in the average, changes its tuition rate for academic year 2017-2018. Some of the credit rates reflect the assessment of a premium designed to maintain the fiscal integrity of the Guaranteed Savings Plan (see footnote 3).
- <sup>2</sup> Millersville University (PA Resident Rate), Indiana University (PA Resident Rate), Shippensburg University (PA Resident Rate), Mansfield University (All Rates), California University (Active Military & Family Rate), the PA College of Technology, and some community colleges (as indicated on this PA 529 GSP Credit Rate Schedule) charge only by the academic credit, not by the semester. Therefore, semester rates are not listed for those schools. For schools that charge a semester rate, the PA 529 GSP Semester Rate is the sum of either 12 or 15 PA GSP Credits, depending on the actual rate set by the school. See footnote 17.
- <sup>3</sup> The following credit rates include premiums: State-Related University Average (2.5%), Pennsylvania State University-all Tuition Levels (2.5%), and University of Pittsburgh-all Tuition Levels (2.5%).
- <sup>4</sup> In calculating the State-Related University Average, all state-related university Tuition Levels that were used in calculating the average for academic year 2004-05 were used; any Tuition Levels that were added in academic year 2005-06 or after were not included.
